Testimonials

"Dayanne has great energy and knows what she does. Which we found important when searching for a home in NYC. She was able to find us exclusive apartments that were fresh in the market and met our requirements. Dayanne was also very human about the process, never too anxious about closing a deal and was very transparent."

— Robert —

"Dayanne was spectacular from the first time we got in contact. Professional, courteous, kind, fun and knows a lot about the downtown area and the market. I can't say enough good things. This is the agent you want to help you find your dream home!"

— Alex —

"Dayanne was far better than any other broker I have ever worked with. She was quick, responsive and extremely honest. Treated me like a friend and helped me through the whole process much quicker than I thought it was possible. She also got me a much better deal than I would have on my own. In a big city like NYC in very rare to find brokers that actually care. Couldn't be happier, I love my home!"
